

Devair 7 Year Limited Pump Warranty

Devair has implemented a new 7 Year Limited Pump Warranty, this being unprecedented in the Piston Compressor market. The new Warranty reflects the Devair commitment to providing quality Air Compressor Units to our Customers, this being the cornerstone of our long history in building Heavy Duty Industrial Air Compressors.

The 'Seven Year Limited Pump Warranty' applies only to those Pump Assemblies that:

- Are provided on and sold as a complete 'HDI' Devair Heavy Duty Cast Iron Compressor Unit. Pumps sold as 'separate sale items' or having the 'IS' or 'SDI' designation are governed by their own Warranty applicable to that product.
- Have been manufactured by Devair after January 1, 2007.
- Have been registered with the manufacturer within thirty (30) days from the date of purchase, this done by returning the completed 'Warranty Registration Card' by e-mail, fax, or post.
- Have been maintained in accordance with the 'Devair Air Compressor Maintenance Schedule' as provided attached. The Maintenance Schedule attached supercedes any existing Maintenance Schedule.
- Have been maintained and serviced using only 'Genuine Devair' parts and kits, this including (but not limited to) Oil and Filters.

Please find attached an updated 'Devair Air Compressor Maintenance Schedule' outlining the various maintenance/service intervals required. Warranty conditions are listed in Devair Warranty Certificates, provided with each compressor.

Devair 5 Year Limited Motor Warranty **3-Phase Motors only**

With the above noted Warranty, Devair has also implemented a new 5 Year Limited Motor Warranty for 3-Phase motors. This Warranty applies only to those Motors that:

- Are provided on and sold as a complete 'HDI' Devair Heavy Duty Cast Iron Compressor Unit. Motors sold as 'separate sale items', having the 'IS' or 'SDI' designation are governed by their own Warranty applicable to that product.
- Are provided on 'HDI' Units manufactured after January 1, 2007.
- Have been registered (along with the Compressor Unit) with Devair within thirty (30) days from the date of purchase, this done by returning the completed 'Warranty Registration Card' by e-mail, fax, or post.
- Have been maintained in accordance with the manufacturers recommendations as provided with the Unit.
- The 'Five Year Limited Motor Warranty' includes repair parts / Motor assemblies only, this at the discretion of Devair. Any costs of labour, shipping or travel incurred are not included in the Limited Warranty.

Please note that single-phase motors are explicitly excluded from this warranty.

Should you have any questions concerning your Devair Compressor, please contact your local Distributor
